“Your two day session, ”Journeys in Leadership’ was the absolute highlight of the conference! You invigorated our members with our message about the impact of strong and inspired leadership. A room full of our industry leaders on two beautiful Kapalua days is the best endorsement.”

“Your passion was contagious, your message powerful and your presentation was entertaining and enlightening. The audience was riveted to their seats. We had more phone calls than we could handle singing your praise with the only complaint being we didn’t allow you even more time”

Jerry W. Shipman – Better Business Bureau

“You were exactly what we needed; someone to make us look differently at behaviors and assumptions. I didn’t know what to expect when we challenged you to present for 3 hours. You did a stellar job, no one left! You made us re-examine everything!”

“Steve, your contribution made our 67th annual meeting the most successful ever! You did a great job and were a tremendous asset to our conference.”

“Steve, without your intense involvement we would not have been able to achieve the great success of The Power of One Conference. I can’t imagine how we would have crafted our general sessions without you! Thanks to your incredible creativity and vision we were able to achieve something previously deemed impossible – to engage an audience of 2000 in a way that captured their minds and their hearts.”
